

Lay Responder Training provides training and certification in First Aid, CPR, Blood Borne Pathogens (BBP), and the use of an Automatic External Deflator (AED). Authorized provider for Active Violence Emergency Response Training (AVERT). Our instructors are professional and experienced facilitators and can bring your training in-house to control costs and flexibility in scheduling. Our skilled Instructors provide hands-on training, combined with video and lecture, which has proven to improve retention and recall, boosting confidence in the case of an emergency. It's surprisingly easy and inexpensive to get started with us.

We are now offering Remote Skills Verification (RSV) instead of in-person training as an optional certification.

Our Services Include in-person or RSV for:

- **2 Year certification** (upon successful completion) in:
 - Standard First
 - Basic CPR
 - AED
 - Basic Life Support (BLS) for the Health Care Provider (HCP)
 - AVERT
 - Instructor Training
- **1 Year certification certificate** (upon successful completion) for Blood Borne Pathogens (BBP)
